

Liquor update – Late Night Code changes

Effective 1 November 2023

Licensed security agents to operate metal detectors on entry from midnight to 3am.

Drinks Marshal required Saturday, Sunday and public holidays 2:01am to 7am – while open for trade.

Drinks Marshal can actively intervene using Responsible Person powers if person drunk, offensive, abusive or violent.

DRINKS MARSHALL from 2:01am - 7am

Shots included in the 2am ban of beverages promoting rapid or excess alcohol consumption.

Includes shooters, doubles, laybacks, test tubes, blasters, stingers and jelly shots.

SHOTS IN 2am BAN

Improvement in venue CCTV quality to identify people with certainty and ensure more specific venue coverage.
